Branch, Mrs. James R. or of the church, officiated.

tor of the church, officiated.

The bride, who wore a travelling gown, was unattended. Erskine Wood of Manhattan was best man. Only members of both families and a few intimate friends attended, numbering thirty-five in all. After the ceremony a dinner was served in the home of the bride. The couple started last evening on a Western trip and expect to be gone several months. It is probable that they will make their home at Lecust Valley. L. I.

Mr. Colgate, who is a broker, is a graduate of Yale, and is a member of

praduate of Yale, and is a member of the Piping Rock, Union, Knickerbocker and Nassau Country clubs. His bride is a member of the Green Twigs, an organization which has done considerable work in Flushing. Robert Colgate formerly lived in Flushing, his old home, at Bowne avenue and Amity street, now being used as the Forwood School.

WALSH-VON NAGY.

Ex-White House Surgeon Weds Widow of Hungarian Descent.

Mrs. Irene Viola von Nagy was mar-ried to Dr. Joseph W. Walsh yesterday in the Church of Our Lady of Victory, Brooklyn, by the Re: Dr. James Woods. Dr. Walsh is a son of the late William Dr. Walsh is a son of the late William Walsh, for eight years County Clerk of New York. The late Judge James Walsh was Dr. Walsh's brother. Dr. Walsh was graduated from Niagara University in 1896 and served as First Lieutenant and surgeon in the United States army from 1900 to 1904. During 1901, in McKinley's administration, he was assistant surgeon at the White House. He is a member of the Army and Navy Club of New York and Washington, Thistle Club of Washington, University Club of New York, Catholic Club of New York, Catholic Club of New York, American Academy of Medicine nd Kings County and Brooklyn Medica

Bartholomew Viola, formerly of onis, and a member of an old Hun-n family. Her husband died about

cott Is a Clergyman's Bride. LONDON, Aug. 3.-Mrs. Joseph Chamerlain, widow of the British statesberlain, widow of the British states and man, and the Rev. William Hartley Carnegie, rector of St. Margaret's and Canon of Westminster, were married at Westminster Abbey at 8 o'clock this games and received souvenirs of small sounds.

Berri Again Under Knife.

William Berri, publisher. Republican politician and member of the State Board of Regents, underwent a second operation yesterday for pleurisy. It was said that the operation was successful. Mr. Berri has been ill for several weeks at his home, 465 Clinton avenue, Brooklyn, yesterday announced the enagement of her daughter, Miss Dorectry Lillian Keeler, to Harold E. McCormack, also of Brooklyn. Miss Keeler's father was the late Dr. Edgar A Keeler of Little Falls, N. J.

WINTHROP AMES'S OFFE

gal" at Booth Theatre.

Having fully regained his health Winthrop Ames will assume the direction of the Little and Booth theatres this season. His initial offering will be given at the Booth Theatre on September 4, when he will present "Pierrot the Prodigal." a pantomime for children by Michel Carre, with music by Andre Wormser. This play was first acted under Augustin Daly's management at Daly's Theatre twenty-five years ago.

Mr. Ames also has under consideration four other plays which he will present during the season.

Irene Franklin has signed a contract with Frederick McKay to be under his management for a term of years. Mr. McKay will present her in a new play each season, with music written by Miss Franklin's husband. Burton Green. The first play is a dramatization of "The Melting of this mill a large paper machine, which

NEWS PRINT SCARCE, PAPERS MUST CUT

Continued from First Page.

"There has now come a time when an armond of the resord we have made and let us say that it has been no easy task to do that which we have done during the first seven months of this year. Not a customer of this company has failed to receive his full requirements of print paper when and as wanted. We have accomplished this by closely identifying ourselves with your business, watching out fearfully for your interests and utilizing to the maximum the unusual resources at our command.

"There has now come a time when an armong our customers the amount of print paper when an armong our customers the amount of print paper when an armong our customers the amount of print paper when an armong our customers the amount of print paper when an armong our customers the amount of print paper when an armong our customers the amount of print paper when an armong our customers the amount of print paper when an armong our customers the amount of print paper which we will produce during the first six months of the year 1916 we exported 20, 679 tons of paper, and during the first six months of the year 1916 we exported 20, 679 tons of paper, and during the first six months of the year 1916 we exported 20, 679 tons of paper, and during the first six months of the year 1916 we exported 20, 679 tons of paper, and during the first six months of the year 1916 we exported 20, 679 tons of paper, and during the first six months of the year 1916 we exported 20, 679 tons of paper, and during the first six months of the year 1916 we exported 20, 679 tons of paper, and during the first six months of the year 1916 we exported 20, 679 tons of paper, and during the first six months of the year 1916 we exported 20, 679 tons of paper, and during the first six months of the year 1916 we exported 20, 679 tons of paper, and during the first six months of the year paper and during the first six months of the year 1916 we exported 20, 679 tons of paper, and during the first six months of the year 1916 we exported 20, 679 tons of paper, and during the f

The Rev. Dr. George Grenville Merrill accounting of our resources is forced upon us. Your demands (and we speak reduction of a Biblical play to be given of our customers as a whole) have grown to such an extent that in order to comply with them we have eaten into our reserve stock to an alarming extent. It was our hope that soon after the first of June, as has been the case in all previous years, the consumption of print paper would markedly decrease and we would thus be permitted to build up our off a sunply during the late months of the son of a york who results the son n Mr. and Mrs. Laurence B. Stoddart's

would thus be permitted to build up our teserve tonnage to normal.

"In June you called upon us for 1,310 tons more than we produced. We then looked forward hopefully to July expecting that in this month the tide would turn, but in the first twenty-one days of the month you have taken approximately.

"We give you due notice of that called upon us for 1,310 to your interests to cooperate with one another in every possible manner in order to bring about the required results.

"We give you due notice of that called nand Division No. 3, A. O. H. 1,000 more tons than we produced. So all signs have failed with us, and with sincere regret we are forced to the con-clusion that it will be a practical im-possibility for this company to produce during the last four months of the year range beginning at once to materially reduce consumption.
"We can, we believe, pull through the

Monday.

The first New York performance of "The Gully Man" will be given at the Astor Theatre on August 21. Irene Fenwick will head the cast.

A patriotic Come Home," from a perm by John Hay, once Secretary of State, and set to music by Oley Speaks, will be sung for the first time by John McCormack, to-morrow evening at Ocean Grove, N. J.

"We can, we believe, pull through the month of August with the expectation that during that month business will be slack and our production will exceed consumption, but trouble is undoubtedly in sight beginning with September.

"This is a matter of such serious import to all concerned that we wish to bring the subject forcibly before you so that you may realize that the remedy is
